Rampages is unlike any previous sheep hunting books, and is 6 times their size. One review states: "This is by far the most complete study on Dall sheep hunting available. No subject is untouched, and the depth and attention to detail is outstanding. Every student of Dall sheep and the hunting of this majestic monarch should have a copy in their library to refer to. It is invaluable and destined to become a classic. Of great importance is the fact that it preserves the rich history of those early pioneers before their accomplishments and memories were lost in time! This is a serious work; qualifying as the Gutenberg Bible of Dall sheep hunting. It is that good!"

Priced as a 3 Volume Set in Slipcase for \$349.00 + \$30.00 if shipping is required anywhere in the US. Overseas shipping will depend on destination. For orders: Call – 907-745-4644 or email - lcbradleyak@gci.net My address is 8200 E. Duchess Dr. Palmer, AK 99645. Happy Trails
